
Translating Jesus For Today

translating for jesus: philip and andrew in john 12:20-22 - translating for jesus: philip and andrew in john 12:20-22 n. clayton croy neotestamentica, volume 49, number 1, 2015, pp. 145-174 (article) published by new testament society of southern africa **scripture translation: language - media.ldscdn** - the work of translating his scriptures. coming home if the gospel of jesus christ is our spiritual home, then it is only right that it feel comfortable and familiar. at home we rest. we nourish ourselves. we talk with those we love in the language taught us at our mother's knee. this is the language of our heart, and since **translating god's word into today's language** - translating god's word into today's language s rg. translating god's word into today's language gordon fee and mark strauss foreword by craig blomberg ... american standard version (asv) translates jesus' words in mark 4:30 as, "how shall we liken the kingdom of god? or in what parable **luther's translation of the bible - lutheran quarterly** - luther's translation of the bible by birgit stolt i. introduction t he original title for this article—"... 'and feel it in the heart ...': luther's translation of the bible from the perspective of the modern science of linguistics and translating"¹—needs some explanation. we must begin with a few words about the "modern **jesus' teaching on hell - samuelgdawson** - the jews of jesus' audience well knew of the destruction that had taken place there in 586 bc by the babylonian nebuchadnezzar, in jesus' time, gehenna was a proper name for a valley located on the south and east of jerusalem. it didn't need translating any more than bethlehem did, and it didn't mean hell any more than bethlehem did. **the most accurate bible translation - theocraticcollector** - jesus is god that the less probable way of translating this verse has been preferred." chapter ten : a discussion on john 8:58: "both the lb and the nw offer translations that coordinate the two verbs in john 8:58 according to proper english syntax, and that accurately reflect the meaning of the greek idiom. **the mystery of translating god - amazon s3** - the mystery of translating god introduction does god speak to unbelievers? • the whole earth is full of his glory (isaiah 6:3). in other words, christians are not the only ones. • we have a biblical precedent for this situation. the prophet daniel spoke to the pagan king nebuchadnezzar, telling him that it was god who **persistent problems confronting bible translators** - problems involved in translating the scriptures are many. some result from the presence of variant readings among the manuscripts of the old and new testa- ... "the lord jesus," or "the lord jesus christ," or "our lord jesus christ." intrinsic probability has to do with considerations of what the **jesus is lord: the tetragrammaton in bible translation** - as "lord" both in the hebrew and in the greek. early christians called jesus "lord," and frequently applied ot passages referring to yhwh/lord to jesus. it seems clear that the use of this common term is a key factor in the identification of jesus with god by the early christians. **translating "messiah," "christ," and "lamb of god"** - translating "messiah," "christ," ... applied to jesus. this paper investigates the use of these terms in their original context through a semantic analysis based on logical and encyclopedic entries and then considers some implications for translation. the approach to translation is based on relevance theory and in **colours across cultures - global propaganda** - colours across cultures: translating colours in interactive marketing communications mario de bortoli & jesús maroto this paper was first published with the title "translating colours in web site localisation" in 2001 in the proceedings of the european languages and the implementation of **delicate issues in mission part ii: translating the ...** - translating idiomatic phrases the norm for secular translation is to translate the meaning rather than the form, because translating the form ends up distorting the meaning and spoil-ing the style. in particular translators avoid creating "calques" (also called "loan translations"). these are phrases which result from translating idiomatic **evidence from history and the gospels that jesus spoke greek** - evidence from history and the gospels that jesus spoke greek by corey keating professor ed nelson ... of jesus that are recorded in the gospels, particularly the occurrences of aramaic words in the ... properly take up the task of trying to get back to the actual words of jesus by 'retro-translating' **yeshua or jesus? - faith lenders international** - mis-translating the mis-translation yeshua is a hebrew name which has been transliterated into greek as iesous (ihsouv: pronounced "ee-ay-sus"). the english "jesus" comes from the latin transliteration of the greek name into the latin iesus. now greek has no "y" sound, but the latin "i"
