# Two Spaces After A Period Why You Should Never Ever Do It

**chapter 5 some specific guidance on army correspondence** - (c) list the office symbol of the originating office or unit flush left two lines below the seal, three lines above the memorandum for line. (d) in parenthesis two spaces after the office symbol add a modern army recordkeeping system (marks) number. this number indicates where to file the document. **effective punctuation handout 1 - lawlumbia** - 4. punctuation before or after quotation marks 5. ellipses in quotations 6. em dashes 7. one or two spaces after periods 8. when to capitalize after colons 1. oxford comma writers disagree on whether lists of three or more should include a comma before the "and" (or "or") and the last item in the list. above all, consistency is key. **fifteen common bluebooking errors & hints** - (11.) spacing in endnotes: in endnotes, citation sentences begin one space after a textual proposition. but if you begin a new sentence after a citation, that new sentence will be two spaces after the citation. 34 see bush, 531 u.s. at 103. [two spaces] the court also discussed the fundamental nature of the right to vote and the **two spaces after a period - psy 225: research methods** - professional printing before the typewriter, typesetters tended to use wide spaces at the end of sentences whether their fonts were monospaced or proportional. so, while it is true that during the era of the typewriter, two spaces ruled, once computers became the dominant tool for typing, one space became the standard. two spaces after a period **memorandum list in order of importance** - two spaces from (four spaces from margin date in this format do not use zero place holder, i.e. use 9 feb 08 two spaces from colon three spaces follow colon use (a), (b), (c) etc. three spaces from colon no space between date line four spaces from colon list in order of importance refer to naval correspondence manual for correct form upon ... **associated press style - cdot** - associated press style is to use dashes, not bullets, for lists that follow a colon. the department prefers bullets, but punctuate them per ap style: after each bullet, capitalize the first letter and use periods at the end of each item. colon capitalize the first word after a colon only if it is a proper noun or the start of a complete sentence. **executive & general correspondence guidelines - jay inslee** - executive & general correspondence guidelines 3 revised april 2015 introduction welcome to the executive and general correspondence guidelines. historically there have been two ... governor use two spaces after punctuation. the washington-shaped logo is only used by the governor's office correspondence. **apa style article - vanguard university** - apa style essentials ... insert two spaces after punctuation marks that end sentences. e. alignment: flush left (creating uneven right margin) f. paragraph indentation: 5-7 spaces ... period of two weeks in the treatment condition compared to the control condition, the **turabian style guidelines - msu billings** - entry flush is left, with subsequent lines indented five spaces from the left margin (this is known as a "hanging indent"). • if an entry has two or more authors, only the first author's name is inverted (last name first) for alphabetization. subsequent names are in the normal order (first name or initials, then last name). 6. **developed by student learning services and the school of ...** - begins two spaces after the period at the end of the heading. 4 indented, bold, italicized, lowercase, and ending with a period. your paragraph text begins two spaces after the period at the end of the heading. 5 indented, italicized, lowercase, and ending with a period. **court reporters board - professional and vocational ...** - to begin no more than 10 spaces from the left-hand margin; (10) parenthetical and exhibit markings of two lines or more shall be no less than 35 characters per line; and (11) in colloquy, text shall begin no more than two spaces after the colon following speaker "id." **editorial raphics and plishin serices is it one space or ...** - two spaces after a period—the old way most typewriter fonts are what are called monospaced fonts. that means every character takes up the same amount of space. an "i" takes up as much space as an "m," for example. when using a monospaced font, where everything is the same width, it makes sense to type two spaces after a period at the ... **u.s. navy style guide** - u.s. navy style guide. version 17-4 march 22, 2017 page 1 navy editors and writers should follow the most recent edition of the associated press stylebook except
