# Weimer And Vining Policy Analysis

**policy success, policy failure and grey areas in-between** - policy success, policy failure and grey areas in-between allan m connell government and international relations, university of sydney abstract policy protagonists are keen to claim that policy is successful while **market failure and government failure - michael munger** - 5 failures. following weimer and vining (2005, 2006) we might distinguish "passive government failure," where government inaction results in pareto inferior outcomes, from "active government failure," where government action results in outcomes worse than if government had done nothing.
