## Wiley Real Time Embedded Systems Jiacun Wang

**improvement of real-time power tracking in microgrid using ...** - needs real-time information to make decision in time. currently, the following simple method for power tracking is utilized [3]: each cs agent sends the output of its unit to the monitor agent at a certain time interval. however, this tracking method is sensitive to communication delay, and its real-time performance is low in actual operation. **a quantitative method for measuring innate phagocytosis by ...** - a quantitative method for measuring innate phagocytosis by human monocytes using real-time flow cytometry ben j. gu,<sup>1</sup> chun sun,<sup>2</sup> stephen fuller,<sup>3</sup> kristen k. skarratt,<sup>3</sup> steven petrou,<sup>1</sup> james. s. wiley<sup>1\*</sup> abstract phagocytosis is central to immunity however a rapid and standardized method is much **real-time systems design and analysis - pudn** - wiley also publishes its books in a variety of electronic formats. some content that appears in print, however, may not be available in electronic format. library of congress cataloging-in-publication data: laplante, phillip a. real-time systems design and analysis : an engineer's handbook / phillip a. laplante.-3rd ed. p. cm. **real-time elastography for assessment of uterine disorders** - ultrasound obstet gynecol 2014; 43: 218-226 published online 12 january 2014 in wiley online library (wileyonlinelibrary). doi: 10.1002/uog.12519 real-time elastography for assessment of uterine disorders **these materials are © 2018 john wiley & sons, inc. any ...** - and devices need reliable, ubiquitous, real-time connectivity in order to be productive and competitive in today's fast-paced world. the demand for faster, more dependable communication capabilities can only grow as time goes on, so you need to begin planning for the future if you don't want to be left behind. **real-time monitoring of weather radar antenna pointing ...** - published online 28 november 2008 in wiley interscience (interscience.wiley) doi: 10.1002/met.112 real-time monitoring of weather radar antenna pointing using digital terrain elevation and a bayes clutter classifier miguel angel rico-ramirez,<sup>a\*</sup> efren gonzalez-ramirez,<sup>b</sup> ian cluckie<sup>a</sup> and dawei hana **laboratory exercise real-time pcr (qpcr) primer design ...** - fluorescent chemistries of real-time pcr, the basic rules and pitfalls of primer design, and provides a step-by-step protocol for designing sybr1 green-based primers with free, online software. keywords: primer3, primer design, real-time pcr, sybr1 green. quantitative real-time pcr (qpcr) is a type of reverse **real-time three-dimensional echocardiography using a ...** - of stic technology are (1) that the image is not real-time and requires offline analysis, and (2) that the acquisition time is long, making fetal movement artifacts a major problem during the acquisition process. real-time 3d echocardiography is now possible with the development of 2d matrix-array probe technology. **chapter 1: introduction - wiley** - real-time systems may be either hard or soft real-time. operating system concepts 1.20 silberschatz, galvin and gagne 2002 real-time systems (cont.) hard real-time: secondary storage limited or absent, data stored in short term memory, or read-only memory (rom) conflicts with time-sharing systems, not supported by **real-time optical manipulation of cardiac conduction in ...** - real-time optical manipulation of cardiac conduction in ... c 2018 the authors the journal of physiology published by john wiley & sons ltd on behalf of the physiological society doi: 10.1113/jp276283 this is an open access article under the terms of the creative commons attribution license, which permits use, distribution ... **a novel real-time computational framework for detecting ...** - real-time catheter and guidewire detection, is essential for many image guided applications, such as motion compensation, 2d3d image registration, and x-ray dose control using collimation. nonetheless, developing an accurate and robust real-time detection method is a challenging task as the majority of x-ray fluoroscopic images are low quality. **real-time anti-poaching tags could help prevent imminent ...** - real-time anti-poaching tags could help prevent ... journal of applied ecology published by john wiley & sons ltd on behalf of british ecological society this is an open access article under the terms of the creative commons attribution license, which permits use, distribution and **the journal of physiology - physocinelibrary.wiley** - we developed novel, real-time, paired methodologies to study the contribution of sialic acids within the endothelial glycocalyx to the structural and functional permeability properties ... the journal of physiology published by john wiley & sons ltd on behalf of the physiological society. **publications - agupubsinelibrary.wiley** - using the real-time version of the tmpa precipitation information (3 h, with 6 h lag, 0.25 latitude-longitude resolution) for quasi-global (50 s-50 n) coverage was developed and improved [hong et al., 2007; yilmaz **real-time high spatial resolution dose verification in ...** - real-time adaptive radiotherapy (art) aims to treat the target volume with sensible margin reduction, in comparison to an itv contouring, by monitoring the position and shape of the tumor continuously throughout the treatment in order to modify the beam in real time.8 the aim is to reduce the size of the itv considerably, so that
